

This chart shows which of the 14 major allergens are used as ingredients in each dish on our food menu. It applies to dining in, collection and takeaway.

Please tell a member of our team about any allergy or intolerance **before you order**, including when ordering by phone on 0208 599 4181. Recipes and suppliers can change, so always check with us on the day. If a dish is not listed here, please ask us before ordering.

CROSS-CONTAMINATION

Allergens including nuts, peanuts, sesame, milk, eggs, gluten, fish and crustaceans are handled in our kitchen, and dishes are prepared in shared areas with shared equipment. We cannot guarantee that any dish is free from traces of any allergen. Dishes marked V (vegan option on request) are not free from allergens unless our team confirms it for you.
